SITUATION SUMMARY

Cal OES Activation Status

State Operations Center	Inland Region EOC	Coastal Region EOC	Southern Region EOC
Normal Operations	Level 3	Normal Operations	Normal Operations

Cal OES INLAND REGION

2019 March Storms

An atmospheric river impacted California 03/05/19 through 03/07/19. The strongest portion of the atmospheric river has moved out of California. Diminished storm activity on 03/07/19 will lead to decreased impacts across the state.

Activations

- Inland Region Emergency Operations Center (EOC) is activated at Level 3 / Duty Officer status.
- Trinity County EOC is activated at Level 3 (Lowest)
 - A Shift: 0800 – 1700 hours
- Colusa County EOC is activated at Level 3 (Lowest)
 - A Shift: 0800 – 1700 hours
- Glenn County EOC is activated at Level 1 (Lowest)
 - A Shift: 0800 – 1700 hours
- DWR Flood Operations Center (FOC) is activated through the week
 - 0800-1700 hours

Proclamation

- City of Angeles, Calaveras County submitted a proclamation due to winter storm related mine shaft collapse. They are requesting CDAA and all available recovery assistance from State of California.

Cal OES COASTAL REGION

- Nothing significant to report.

Cal OES SOUTHERN REGION

- Nothing significant to report

CALIFORNIA 911 SYSTEM

CA 911 Outages		
Northern California	Central California	Southern California
No 911 Outages	No 911 Outages	911 Outage

911 Outages/Remote/Community Isolations:

Commercial Power Outage, Idyllwild, Riverside County (UPDATE)

On 03/07/19 at 0630 hours, the CA 911 Branch reported a 911 outage at Hwy. 243 and Rockmere Rd. in Idyllwild, Riverside County. Palm Springs PD is the PSAP covering that area and is aware of the situation.

- 28 Landlines are impacted
- There is no impact to wireless calls.
- The outage is due to a commercial power outage and no access due to snow and ice.
- Repair is scheduled for the Saturday with the US Forestry service.
- [This outage is not a community isolation.](#)
- [Estimated time of restoral is 03/09/19.](#)
- Updates will be provided as new information is received.

Service Interruptions:

- None reported

WEATHER OF CONCERN

NORTHERN CALIFORNIA

- Scattered snow showers through the evening with mountain travel delays in the Northern Sierra.
- Light to moderate snowfall over the northern mountains Saturday continuing northern mountain travel impacts.
- A brief break in precipitation after midnight, before another Pacific storm moves through Northern California on Saturday.
 - It appears to be a fairly weak system, but could bring several inches of snowfall Saturday with travel difficulties over the northern mountains.

SOUTHERN CALIFORNIA

- Dry conditions are expected tonight through Saturday.
- Another chance of showers is possible Saturday night into Monday morning.

WEATHER KEY POINTS

03/08/19 - 03/14/19

Friday

- Minor river flooding will continue across portions of northern CA
- Lighter valley rain will continue across portions of the state with no significant impacts
- Snow will continue over the mountains across the entire state creating travel impacts. Heaviest snow will be over the Sierra with up to 12 inches possible.
- Gusty winds over portions of the southern CA mountains and desert areas will impact travel. Southwest to west winds 25 to 35 mph with gusts to 55 mph with isolated gusts to 65 mph.

Saturday-Sunday

- Another round of valley rain and mountain snow starting Saturday afternoon across much of the state
- Travel will be impacted over the mountains due to snow
- No significant rainfall impacts expected

Monday

- Much of the state, except for the southern portions, will be in between storms and will see generally dry conditions

Tuesday-Wednesday

- Another round of valley rain and mountain snow across much of the state
- Travel will be impacted over the mountains due to snow
- No significant rainfall impacts expected at this time

Thursday

- Dry conditions across the state with warming temperatures

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2019-LAW-58514, 03/05/19, 1604 hours:** Mono County Sheriff's Office requested assistance with a Search and Rescue (SAR). A 24 year old active duty Marine left on 02/25/19, alone, from Onion Valley in Inyo County to cross country ski the High Sierra Route which is 195 miles long and runs through several counties. His friend was to pick him up 03/04/19 or 03/05/19 near Bridgeport. He did not show up and has had no contact with anyone. The Air Force Rescue Coordination Center (AFRCC) was not able to run cellular phone forensics as his phone has been turned off since 02/25/19. Aerial searches will begin once the winter storm breaks. **MISSION ONGOING**

Cal OES MISSION TASKING

Cal OES Missions

- **2019-CREOC-58434:** Request for two DTSC Hazmat Teams to remove Household Hazardous Waste (HHW) from right of way and private property (On Scene)
